

ΔΙΕΘΝΗΣ ΕΚΘΕΣΗ • INTERNATIONAL EXHIBITION

CLIMATHERM
ENERGY[®] 2022

With Power we Continue!

Just a few days before the upcoming start of the international exhibition **Climatherm Energy 2022**, which will take place in a completely safe and **COVID FREE** environment, and so far, hundreds of exhibitors in the energy sector are proving with their participation that the interest of the energy market to visit such a large and specialized exhibition is huge.

Important and at the same time promising is the dynamic presence of **Climatherm Energy**, which is already over 30 years in the energy sector and despite the covid era we are going through at the moment, the fact that the fair is being organized shows its dynamic and catalytic role in the Greek energy market.

The **International Exhibition "Climatherm - Energy 2022"**, is, as always, under the auspices of the **Ministry of Environment and Energy** and has the continuous support and participation of all major institutions in the industry.

We invite all of you industry professionals (plumbers, electricians, architects, technical companies, refrigerators, hoteliers and many others) to trust the many years of experience of all the exhibitors, and visit the upcoming international exhibition **Climatherm Energy 2022**, in which all protection measures against **COVID-19** will be followed, for the best and most immediate search of associates and other professionals in the field, but also for their own complete and more immediate information.

We are waiting for you at the high standard exhibition center, "**Athens Metropolitan Expo**" from **25 to 27 February 2022**, from **10:00 to 20:00**. For more information contact us at 210.9356110, 2109315073, or by email at info@climatherm.gr.

We serve visitors and exhibitors with free transfer from the **Metro station "Doukissis Plakentias"** and the **Airport**.

Admission **ONLY** with a certificate of vaccination or disease, along with your identification documents.
