ATHENS INTERNATIONAL BOAT SHOW 2025

THE EXHIBITION WHERE DREAMS COME TRUE

The maritime event of the year opens its gates for once more, on 4-8 of December 2024. Athens International Boat Show, region's most comprehensive exhibition for sea and water sports enthusiasts, will kick off the new season and showcase the industry's vast potential, at Metropolitan Expo, in Athens, Greece.

Both established and emerging companies in the sector will present a wide array of products, reflecting the great interest of the regional market in Athens International Boat Show. Attracting thousands of visitors from Greece and beyond, the exhibition provides an invaluable opportunity for exhibitors to promote their brands before an experienced audience, thus expanding their business network.

Within the impressive halls of Metropolitan Expo, a diverse range of products will be on display, including, inflatables, sailboats, polyester and cruiser boats, engines and various marine equipment will be on display. Covering every need of industry's professionals and amateurs as well, the exhibition brings together the entire market, enabling the exchange of expertise and fostering industry's growth and robustness.

Athens International Boat Show is the ideal place where the love for the sea and the adventurous lifestyle are combined with creative entrepreneurship. At the exhibition where dreams come true, professionals find an open field of business activity and take advantage of the opportunities provided to them.

With consistency and professionalism, the exhibition once again leads the sector to safe harbours and becomes the point of reference for Greece and the wider region. Join us in celebrating maritime innovation and the spirit of adventure at Athens International Boat Show 2025!
