

**Athens, October 24, 2025**

**PRESS RELEASE**

**The future of vehicle repair, maintenance, and technology is revealed at  
AUTOTEC EXPO 2025**

**October 31 – November 2 | Metropolitan Expo**

**AUTOTEC EXPO 2025**, the leading exhibition for professionals active in the vehicle repair and maintenance sector, opens its doors from **October 31 to November 2** at the **Metropolitan Expo**.

More than **120 exhibitors**, representing **over 800 brands** from Greece and abroad, along with thousands of visitors, will meet at the leading meeting point of the **automotive aftermarket industry**.

**At the exhibition, you will find:**

- Leading companies in spare parts and equipment for workshops, tire repairs, refinishers, electrical services, car washes, and fuel stations.
- Innovative technologies and new products shaping the future of the industry.
- All the latest trends and developments from the international aftermarket market.

Visitors to AUTOTEC EXPO will also have the exclusive opportunity to attend free technical seminars conducted by top trainers from the Institute of Continuing Automotive Business Education (IDEEA).

Admission to the exhibition is free.

To receive your personal entry invitation, please register **[HERE](#)**.
