

MEDWOOD 2026 | 20 YEARS OF MEDWOOD

The leading trade exhibition for wood & furniture in Southeast Europe

MEDWOOD returns with its anniversary edition, celebrating 20 years of presence and reaffirming its role as the only specialized exhibition for structural wood products, semi-finished materials, and related solutions in the Balkans and Southeast Europe.

Top companies, leading brands, cutting-edge technologies, and professionals from across the region come together at an event that shapes the future of the industry.

Technology • Design • Innovation

At MEDWOOD you will find

- The most important companies in the industry
- New technologies and innovative materials
- Modern solutions for production, construction, and design
