

Press Release

Athens, April 2026

The heart of Greek Real Estate beats at the Metropolitan Expo on May 15 - 17, 2026.

The premier event for the real estate industry, the **6th Premium Real Estate Expo**, returns more dynamic than ever, hosting the future of real estate at the **Metropolitan Expo** from **May 15th to 17th, 2026**. The exhibition serves as the ideal platform for professionals and investors who wish to stay ahead of the curve, bringing together participants from Greece and abroad to showcase new trends and sector innovations. Visitors will have the opportunity to discover leading real estate companies, developers, investment projects, and innovative services shaping the future of the market.

At the same time, the **6th Real Estate Forum** returns, focusing on "Resilience, Technological Intelligence, and Wellbeing." It will host over 70 top-tier speakers who will analyze the latest developments. The thematic units focus on:

- **Investment Strategy** and market dynamics.
- **Innovation and Green Living**.
- **Modern Management** based on international standards.

Innovations of this year's exhibition:

- **Home Raffle:** Owning a home has never been closer. The 6th Premium Real Estate Expo makes the dream a reality, offering one lucky visitor the unique opportunity to acquire their own apartment in the heart of Athens. In an exclusive partnership with **Lux & Easy**, a "Grand Home Raffle" is being held for a 96 sq.m. 3-bedroom apartment, valued at **€221,000**, at the incredible price of **€135,000**. To enter, simply complete your online pre-registration,

collect your ticket, and visit the Lux & Easy booth to drop your coupon into the ballot box.

- **Value-Driven Synergy:** Within the framework of strategic partnerships, **Spitogatos** and Premium Real Estate Expo join forces for the biggest event of the year. Interested parties can get informed about properties, network with industry professionals, receive an initial valuation of their property, attend engaging talks, and gain access to new projects.
- **Sustainability:** The **Green Home Experience** section offers a unique residential experience, presenting the home of the future. Smart Home technology adapts to the needs of total wellbeing, while architectural thought and functionality are highlighted through Modern Design. The use of Sustainable Materials and Green Aesthetics ensures the harmonious coexistence of innovation and balance.
- **Networking:** The exhibition is designed to enhance synergies and **B2B meetings**, offering opportunities for networking and developing partnerships with leading professionals. The Metropolitan Expo ensures the ideal conditions for a seamless and successful event, offering comfort and safety to all participants.
