

PRESS RELEASE

Athens at the Heart of the International Industry: SYSKEVASIA 2026 & PLASTICA 2026

6–9 November 2026 | Metropolitan Expo

250+ exhibitors from Greece and abroad, the Packaging Hub and organised B2B Meetings come together in a leading business event for the packaging, plastics and manufacturing industries.

From **6 to 9 November 2026**, Athens will become a major meeting point for the international **Packaging, Plastics, Machinery, Printing and Logistics** industries, as **SYSKEVASIA 2026** and **PLASTICA 2026** take place at Metropolitan Expo.

The **19th SYSKEVASIA**, International Exhibition of Packaging, Machinery, Printing & Logistics, and the **13th PLASTICA**, International Exhibition of Plastics, Machinery, Moulds & Recycling, will bring together **more than 250 exhibitors from Greece and abroad**, highlighting the strong international character of the event.

The international dimension is further strengthened by the network of **official international representatives** of the exhibitions in key overseas markets, contributing to the participation of exhibitors and professional visitors from different countries.

Packaging Hub & B2B Meetings

A key part of this year's event will be the **parallel activities dedicated to knowledge sharing and business networking**.

Through the **Packaging Hub**, industry professionals will have the opportunity to explore the latest trends, new technologies and developments shaping the future of packaging, through presentations and thematic discussions with market experts and industry representatives.

At the same time, the organized **B2B Meetings** will provide a focused environment for business networking, bringing together exhibitors, buyers and professionals from Greece and abroad, while creating new opportunities for **partnerships and commercial agreements**.

At Metropolitan Expo, visitors will have the opportunity to discover **new technologies, machinery, materials and integrated solutions** covering packaging, plastics, manufacturing, printing, automation, logistics and recycling.

With a strong Greek and international presence, **SYSKEVASIA 2026 & PLASTICA 2026** represent a major business meeting for the manufacturing and processing industries, combining **exhibition, expertise, innovation and targeted business networking**.

See you in Athens, 6–9 November 2026.
